

MAKING HAY.

The big Hay crop and the scarcity of labor makes it necessary for every progressive farmer to install all of the modern Machinery with which to handle it, such as

McCormick Tedders, Hay Loaders, Myers Hay Carriers, Grapple and Double Harpoon Forks, &c.

Come and let us show you the superiority of these lines, over other makes used for the same purpose, and wherein it will be a money saving proposition to you.

KITTY MEWS

Two opinions that show the spirit of the neighborly feeling of our colleagues:

Base Ball Doings.

Hoptown played Terre Haute again Tuesday and the Hoppers gave the Miner's a scare. Terre Haute nosed out a victory in the ninth by a score of 9 to 8. The Star says: It looked mighty dubious towards the last and the bugs were fearful lest the Hopkinsville Kitty League team, class D club, would show up the Terre Haute Central League pennant contenders on the day before the opening. The Moonshiners were eager to do just that and they tried to win with all the spirit and enthusiasm of youngsters breaking in. But class told and Wheeler's team won out. The Nightriders had their batting eyes and aided by some rank errors of the Coal Miners, the class D 'rookies, almost won the game.—Vincennes Sun.

We do not see by press dispatches that the wonderful Hopkinsville team is creating much excitement during its barnstorming trip in Illinois.—Clarksville Leaf Chronicle.

Poor Little Town.

The soliciting committee of the

Clarksville Baseball Club report subscriptions of about four hundred dollars received yesterday. Only five hundred more necessary.—Leaf Chronicle.

Hopkinsville beat Clarksville on attendance at games last season but we must not permit that to occur this season, says the Leaf-Chronicle.

You could have said that Hopkinsville did the same to all the other cities in the League last season, but we are glad that you got out from your state of hypnotism long enough to admit that we beat you in attendance, now wake up again and see if we didn't beat the life out of your team in games won.

Lyman Johnson, the pitcher purchased from Terre Haute arrived yesterday, two days ahead of the team. He lead the League with Vincennes, last season winning 20 games and losing 10. He is a right-hander and a husky young fellow who is sure to become a favorite with the fans.

The directors of the K. I. T. will

meet at Cairo Sunday to adopt the new schedule which has been submitted. This is the most important of all considerations to the club. The Moguls will have a representative on hand to see that they get a fair distribution of dates.

The population of the cities in the Kitty is as follows:

Paducah	22,760
Vincennes	14,895
Cairo	14,458
Hopkinsville	9,419
Clarksville	8,548
Harrisburg	5,309
Fulton	2,575
McLeansboro	1,798

Hopkinsville.....5
Jasonville.....4
This was the score of the game played at Jasonville. Batteries—Hopkinsville, Yon and Huhn; Jasonville, Lyons and Littlejohn.

Lyman Johnson, who led the Kitty last season, has been bought by Mgr. Nairn from Terre Haute and will dish out pellets from the center of the Hopkinsville group this season.

RESOLUTIONS

Of Respect On the Death of Brother Chas. L. Daniel.

(By Evergreen Lodge No. 38, Knights of Pythias.)

Hopkinsville, Ky., April 27, 1911.

Whereas, the Death Angel has again visited our lodge and called from life to an untimely death our beloved brother, Charles L. Daniel, who departed this life April 21st, 1911, and while the solemn notes of warning has again reminded us of this frail and transitory life and of the certainty of death, may it better prepare us to fit ourselves as living stones for that spiritual building made with hands eternal in the heavens. Therefore be it resolved: First. That he was faithful to his convictions of right and was obedient to the demands of honor and justice in every-day life, and remembering his many virtues, we are indeed grieved at the loss of our beloved brother, and drop the tear of affectionate sympathy.

Second. That this community has lost one of its best and most upright citizens, known and honored for charitable acts and integrity, whose departure left the footprints of a model life on the sands of time.

Third. That the Christian church, of which he was a member, has lost one of its best members, who was always ready to speak a word for his Maker, and a word of cheer for the little folks and comfort for the lonely ones.

One by one the links are broken
All along the shores of time,
One by one the silent boatman
Bears the gentle spirits home.

Fourth. That we extend to the bereaved family our sympathy. But realizing the utter failure in our intentions to bring comfort, we commend them to the Heavenly Father, who says: "I will never leave or forsake thee," who promised to be a

father to the orphan and a husband to the widow.

Fifth. That we keep his memory fresh in our minds by spreading a copy of these resolutions on a page of our minute book; a copy be given to the bereaved family, and a copy be furnished the Kentucky Pythian, Hopkinsville Kentuckian and Kentucky New Era for publication.

GAME BOY

Fights 15 to 1 Odds in Battle To the Death.

Mexico City, April 27.—Refusing to surrender or to leave the train on which he and his command of thirty soldiers were being brought to the capital, a second lieutenant, little more than a boy, yesterday engaged in a battle with a force of 400 rebels at Cajones, Guerrero. At the conclusion of the brief encounter twenty-eight of the soldiers were dead and the lieutenant and the remaining two of his men were prisoners. One of the arms of the lieutenant had been shot away.

At no time during the engagement did the federals betray signs of cowardice. With the blood of their companions running from the doors of the little second-class coach, the men coolly fired into the ranks of their assailants until but two remained with their wounded lieutenant.

One passenger, Luis Bustamante, a young civil engineer who was on his way to the capital to be married to Miss Elena Tamborrel, was killed in another coach while kneeling beside a girl passenger.

New Pastor.

Rev. S. E. Tull, of Pine Bluff, Ark., has been called as pastor of the First Baptist church of Paducah. He is young and eloquent and will take charge July 1.

DECLINED WITH THANKS

Taft and Roosevelt Refuse to Name Triplets.

Henderson, Ky., April 28.—"Declined with thanks" is the substance of letters received by Mr. and Mrs. George W. Duncan, of Corydon, from former President Theodore Roosevelt, President Taft, Mr. Russell Sage and Miss Helen Gould, all of whom had been invited name triplets born to the Duncan March 8 last.

"Well, well," said the mother holding the letters from the notes in her lap. "I thought they forgotten our request. I'm George and I didn't wait to name the babies now." To a neighbor Mrs. Duncan confided that she her husband had grown tired of apparent delay and had named children themselves. They will call Ralph, Ruth and Ruby.

KILLED THE KEEPER

Murderer of Lockup Keeper In Jail in This City.

Lockup Keeper Ed O'Bannon was at 5 o'clock Wednesday afternoon twenty-five hours after he knocked unconscious from a blow shovel in the hands of John Wilb, prisoner crazed for his freedom.

Feeling against Wilby is so that County Judge Bradley sent prisoner to jail here for safe keeping. O'Bannon's death culminates is considered by many as the outrage that has been perpetrated in Madisonville for years and a charge of murder against assailant.
